

Company Environmental Policy Statement

North East Radio Communications Ltd accepts its environmental responsibilities and recognises its obligations to contribute to the resolution of global and local environmental issues by reducing its environmental impacts and by taking a leading role in promoting environmental good practice. Therefore the company will:

- Comply with all relevant legislation and codes of practice.
- Incorporate environmental considerations into all of our business activities.
- Endeavour to re-use, recycle and reduce waste wherever possible.
- Ensure pollution prevention and control.
- Strive to reduce energy consumption wherever possible.
- Continually review our environmental performance and strive to respond to issues as they arise.
- Ensure all employees are aware of this policy, suitably trained to meet their environmental responsibilities and involved in the achievement of our environmental objectives.
- Publish this policy to our potential and existing customers through conventional marketing methods and on the company's website.
